Provincial Secretariat.

Colleagues,

ONLINE PLAYER & TEAM REGISTRATION

With the country now on Alert Level 3 of the Lockdown Regulations, provinces are advised to commence with their respective player & team registration on the VSA registration portal.

Please be reminded that the registration of players and teams is a crucial aspect of the annual EPG Report that both VSA and the provinces have to comply with as per the Department of Sports, Arts and Culture's requirements.

To this end the "Month of August" has been designated as the registration of players & teams month.

Please take note of the online registration process:

1. Only designated members of the provincial executive will be permitted to upload players' details on the VSA registration portal.
2. Justin from OV Graphics, the company that manages the VSA website will assist provincial officials with the registration process. Justin can be contacted on: 066 540 3561
3. The system will not accept incomplete player details when completing the registration process.
4. Players who are not registered on the VSA registration portal will not be allowed to participate in any VSA or international competitions.
5. **REGISTRATION OF FOREIGN PLAYERS:** The said player must produce an "International Clearance Certificate" (ITC). The document must have a start date and end date as the ITC must be produced to the respective province and VSA on an annual basis.
6. Teams are reminded that a maximum of two (2) foreign players, one of which must be from the African continent, are allowed in a starting line up in a domestic league match or in a competition.
