

CONDOLENCES MESSAGE

The President of the Confederation Africaine de Volleyball (CAVB) sends prayers and condolences on demise of CAVB former 1st Vice President -

Sundrasagren (Tubby) REDDY

Gone from our sights but never from our hearts

I am feeling sad by the sudden departure of a great man who will always be remembered for his Seriousness, Hardworking and Intelligence. He has been fully involved in CAVB since 1997.

In 2001 he was elected as 1st Vice President and has faithfully served as CAVB Executive & Board of Administration Member for eleven consecutive years. Tubby also served as the CAVB Development Commission President for the period 2013 to 2020.

Tubby was also member of the FIVB Development commission from 2001 - 2008 and FIVB Board of Administration member for the period 2008 – 2011.

The African Volleyball family joins me in expressing deepest condolences to the bereaved family, his friends and Volleyball South Africa.

May His Soul Rests In Peace
