Tshwane University of Technology (TUT)

Women & Men's Volleyball Team Management

Dear Colleagues,

CONGRATULATORY MESSAGE FROM THE VSA PRESIDENT

On behalf of the VSA President, Mr. Anthony Mokoena and the South African volleyball fraternity we congratulate you on your remarkable achievement as South Africa's sole representatives at the African Zone V1 club championship scheduled to take place in Maputo, Mozambique in January 2022.

With the TUT women's team gracing VSA's 2021 Champions Cup winners podium as the gold medallist and your men's team finishing second in the competition is a wonderful achievement in the life of a team, especially a university team that under goes player changes over the years.

The VSA President is confident that your teams will proudly fly the South African flag at the zonal championship and you must be mindful at all times that you also play the role of 'ambassadors' of our country while you lock horns with your competitors at the Mozambique event.

Our wish is that you savour the occasion of participating among the best contenders at the Zone V1 level and emerging victorious in the competition will be a huge boost for South African volleyball.

We are hopeful that your representation in the 2022 Zonal event will inspire other South African teams to follow in your footsteps.

Stay Safe. Practise all the Covid-19 health and safety protocols at all times.

God Bless

Donovan Nair
